Thank you, Members, I want to appreciate you who managed to come for today's session. I understand most of our colleagues are engaged in committee activities. The Committee on Culture is working on the empowerment policy which is before them. The committee on LIUD is engaging the Minister on Lands, the Minister of Public Works and Minister of Finance while the Committee on PIAC is doing oversight work which is all Assembly work. Those that have been able to come, thank you very much. Today in the Afternoon Sitting we will be adjourning the House. I will request the Whips to kindly whip members to come so that we can adjourn together Majority Whip please whip Members to come and also the Deputy Minority Whip-Hon. Katumbi do the same. There is Motion we want to agree on Altering the Calendar to extend our recess with one week so as to attend the Governor's retreat on 1st September. So let us talk to our colleagues even those who are engaged, Mutomo is not far, Whips you have the powers to call them briefly you have my blessings for two (2) hours we join together then they can go back.

There is a Devolution Conference in Homa Bay. We are making the necessary arrangements. I've liaised with the Governor we are trying to see if we can get some budget to facilitate us to go to Homa Bay. It is not possible for members to go to Homa Bay the way things are. So, we will have something by latest...because we are waiting for the Budget to be uploaded. I talked to the Minister on Finance and he told me that he was assured by COB that they will finalize on the Budget today. Uploading is a one-day affair which means it can be uploaded tomorrow. So, we are working on it and I will communicate accordingly. Members, thank you for your commitment to work. With those few remarks, let us be upstanding so that we adjourn the House.
