Mr. Speaker,

The Committee on Selection is a County Assembly Select Committee established under Standing Order (S.O) 152. It is the Committee that is charged with the responsibility of formation of other County Assembly Committees save for the Committee on County Assembly Business and Committee on Appointments.

Mr. Speaker,

The Committee undertakes this noble role in outright consultation with the County Assembly Parties and in strict adherence to the provision of Section 14 of the County Government Act (CGA), 2012 which inter alia provides that: -

14(1)(a) & (b) " *A county assembly—*

(a) may make S.Os consistent with the Constitution and this Act regulating the procedure of the county assembly including, in particular, orders for the proper conduct of proceedings; and

The Committee also undertakes its function in compliance with S.Os 152, 154 & 155 of the County Assembly Standing Orders in regards to the establishment, formation criteria for nomination and approval of members to serve in County Assembly Committees.

Mr. Speaker,

Despite the above roles, the Committee also looks into delivery of mandate by County Assembly Committees, such may include lack of quorum and sometimes failure to meet owing to over-sharing of membership especially when all County Assembly Committees are sitting. Additionally, the Selection Committee evaluates

strength of Committees by as much as practicable allowing members to extent their professional expertise in Committee service as contemplated by Section 9 (1)(e) of the CGA, 2012 which provides that a members of the County Assembly may extend professional knowledge, experience or specialized knowledge to any issue for discussion in the County Assembly. To enhance performance, the Committee on Selection also undertakes a continuous review of membership geared at addressing issues within her mandate that may be affecting Committees' performance.

Mr. Speaker,

In execution of her mandate as highlighted above, the Committee on Selection proceeded for a retreat at Weston Hotel Nairobi from 20th to 25th January, 2025 to review, discuss and where necessary come up with a revised membership of some Committees for adoption by the Assembly. This included Committees whose term had lapsed at the end of the third session 2024 pursuant to County Assembly S.Os. In undertaking the exercise, the County Assembly Parties did extensive consultations and where necessary bipartisan engagements were done in order to come up with considered membership for consolidation by the Selection and adoption by the Assembly.

Mr. Speaker,

The re-composition and realignment contained in this report makes changes to the following Select and Sectoral Committee membership;

i. Powers and Privileges,
ii. Procedure and Rules,
iii. Implementation,
iv. Delegated Legislation,

2.0 PREFACE

Mr. Speaker,

On behalf of the Committee on Selection, I hereby wish to table the report by the Committee on re-constitution and review of membership to the County Assembly Select and Sectoral Committees that was conducted in furtherance of the Committee's mandate.

Mr. Speaker,

3.3 Committee Mandate

Mr. Speaker,

S.O 152(2) highlights the mandate of the Committee to nominate members to serve in County Assembly Committees as indicated above in this report. This function is exercised by the Committee in due regard to the County Governments Act, 2012 and the provisions of Standing Orders No.'s 153, 154, 155 and 157 among other laws.

4.0 BACKGROUND

Mr. Speaker,

The Committee on Selection has pursuant to her mandate been over the period undertaking a review of membership to County Assembly Select and Sectoral Committees. The exercise is undertaken in adherence to Section 14(4) of the County Governments Act, 2012 which provides that each Member to be appointed to serve in at least one County Assembly Committee and as well to comply with the County Assembly Standing Orders.

Mr. Speaker

It is important to note that the term of the following committees, as established under the Kitui County Assembly Standing Orders, has now expired as explained below:

i. **County Assembly Business Committee Standing Order 151(1)(d)**

It is provided that the County Assembly Business Committee shall be constituted and approved by the County Assembly at the commencement of every session. Standing Order No. 2 as read together with Standing order No. 24, defines a 'session' as commencing immediately after a general election or on the second Tuesday of February and terminating when the County Assembly adjourns at the end of a calendar year (on the first Thursday of December) or at the expiry of the term of a County Assembly. Accordingly, the tenure of this committee expired on 18th December 2024.

ii. **County Assembly Appointments Committee, Public Investments and Accounts and County Budget and Appropriations Committees, pursuant to provisions of Standing Orders – Standing Orders 184 (2), 185(4) & 186(4)**

These Standing Orders inter alia provides that the above County Assembly Committees constituted at commencement of the County Assembly shall serve for a period of three calendar years and those constituted thereafter shall serve for the remainder of the County Assembly term.

Mr. Speaker

Standing Order No. 2 defines a calendar year as a period of time composed of 12

months from January 1st to December 31st. This means that a calendar year ends on 31st December of that year. Since these three committees were constituted on 26th October 2022, their three-year term concluded on 31st December 2024. Given the expiration of their prescribed terms, it was necessary to initiate the process of reconstituting these committees to ensure continuity of execution of the Committees' mandates.

Mr. Speaker,

During the last Committees' revision on membership, the Committee also attempted in vain to address the perennial issues of Committees' quorum in both the Select and Sectoral Committees that has been commonly occasioned by excessive sharing of membership among other factors. It has also been established that successful Committees sittings are almost impossible especially when all the Assembly Committees are scheduled to meet at the same time thus affecting the Assembly performance.

Mr. Speaker,

In order to resolve the concerns emanating from the issues raised above and to ensure effective Committee service, the Committee retreated to Weston Hotel- Nairobi to undertake re-constitution and revision of membership to the County Assembly Select and Sectoral Committees with effect from 20th to 25th January, 2025.

5.0 ACKNOWLEDGMENT.

Mr. Speaker Sir,

The Committee on Selection wishes to sincerely thank the Offices of the Speaker and the Clerk of Assembly for the necessary support accorded in undertaking this exercise. I also wish to extend my sincere appreciation to the Members of this Committee who have collectively been working round the clock in assessing the County Assembly Committee's successful operations but with due regard to the distinct mandate of the Committee on Liaison. Their zeal to perform and commitment to undertake their mandate has been commendable in the execution of the Committee mandate.

Finally, I'm indebted to the valued technical support offered by the Assembly service staff serving the Committee during this exercise and the efforts put in ensuring that the report is compiled for adoption by the Assembly.

SIGNED _____ DATE 13/02/2025

HON. HARRISON MALUKI MAWIA,

CHAIRPERSON, COMMITTEE ON SELECTION,

COUNTY ASSEMBLY OF KITUI.

6.0 REVIEW OF COUNTY ASSEMBLY SELECT AND SECTORAL COMMITTEES' MEMBERSHIP.

Mr. Speaker Sir,

The formation of County Assembly Committees is guided by Section 14 of the County Government Act, 2012 and County Assembly Standing Orders 152, 153, 154, 155, and 157 among other laws. As currently constituted, the existing Committees were constituted in observance of the above laws, nevertheless, successful and effective committee operations are dependent on other factors that positively influence the overall good Committee performance.

Mr. Speaker,

The Selection Committee in her usual scheduled meetings and in furtherance of her mandate has over the period been able to undertake continual Committees assessment and evaluation on performance based on composition, quorum and the ability to convene regularly. It is the common understanding that an effective Legislative Assembly to a great extent relies on the strength of her committees. Most of the County Assembly Committees have clearly shown an indication of propelling to the right direction in successful delivery of their mandate but with some few requiring rejuvenation in order to jump start their efficacious journey.

Mr. Speaker,

The Committee on Selection was thus necessitated to engage into this exercise of reviewing membership to some Committees in an endeavor to address the issues highlighted above. The Committee resolved on the following issues for consideration in undertaking the review on membership to Committees;

i. The Committee's leadership ability,

ii. The Committee's leadership ability,

iii. Factors that affect quorum,

iv. Embracing interparty consolations to ensure meaningful Committee reforms,

v. Alignment to political parties, and

vi. Addressing fairness in the distribution of committees to Members, this however depends on party alignment among other factors.

vii. Ensuring gender representation

Mr. Speaker, Sir

The County Assembly Party Whips based on the above reasons held consultative meetings and reported to the Committee on Selection for further deliberations regarding the membership of the both County Assembly Select and Sectoral Committees. After reviewing all the Committee memberships within her mandate and in the exercise of the powers conferred, the Committee on Selection resolved changes in the membership of some committees as recommended below in this report.

7.0 COMMITTEE RECOMMENDATIONS
