2.0 THE SIGNIFICANCE OF COUNTY ASSEMBLIES SPORTS AND CULTURAL FESTIVALS

Mr. Speaker Sir,

Sports and Cultural activities brings us together and gives us more reason of being patriotic to our Country by appreciating the diverse cultures and talents among Kenyan populace. The CASA games serves as a perfect avenue for interaction and team building across the Counties between the Senate, Speakers, Members of the County Assemblies (MCAs) and the members of staff. Apart from the economic benefit that comes with CASA games, it also spurs domestic tourism and cultural exchange. To crown it all, sport is a preserver of health because it keeps our bodies healthy and fit. These games also help cultivate sports talents amongst our Honourable members and staff.

3.0 BACKGROUND

3.1. A BRIEF HISTORY OF COUNTY ASSEMBLIES SPORTS ASSOCIATION (CASA) GAMES.

Mr. Speaker Sir,

The County Assemblies Sports Association (CASA) draws its origin from the defunct Kenya Inter-Municipalities Sports and Cultural Association (KIMSCA) games.

On the advent of devolution in 2013, the Kenya Inter-Counties Sports and Cultural Association (KICOSCA), which was the successor of KIMSCA, held its inaugural games in Nakuru, during which participants was drawn only from the County Executive. The County Assemblies were left out. There arose the need to have a body coordinating sports from both Honourable members and the Staff of County Assemblies. This led to a meeting of County Assemblies in Nairobi, where the idea of forming and registering CASA was mooted.

CASA was registered in March 2014, and owing to the challenges encountered in setting up and organizing a national event, it was agreed that the baby (CASA) rides on the back of KICOSCA.

Between 2014 and 2017, the County sports festival has been jointly organised by both parties leading to their being christened KICOSCA /CASA games.

In the spirit of separation of powers, it was resolved during the 3rd Annual County Assemblies Forum (CAF) legislative summit which was held from May 21-25, 2018, that CASA be adopted as a chapter of CAF. It was mandated to organize annual games and cultural activities for the legislative arm of the County Governments with effect from July, 2018.

The resolution was ratified by the highest decision making organ of CASA and the NGC on July 12, 2018, where it was resolved that the 1st CASA Sports and Cultural Bonanza be held in Nairobi at the end of August, 2018 or early September, 2018 with all County Assemblies participating.

8.1. Remarks by His Excellency the Deputy President Mr. Speaker Sir,

The one week-long CASA games were officially launched by the Deputy President of the Republic of Kenya **His Excellency Dr. William S. Ruto** at the Eldoret National Polytechnic Sports ground. H.E Dr. Ruto underscored on the role of the County Assemblies, objectives of the CASA games and what the participants should expect to gain from the tournament.

He lauded the County Assemblies for catalyzing the success of devolution in Kenya. He said the work of MCAs in legislation and oversight was shaping the operations of County Governments in the right direction, a move that had seen even the secluded parts of the country record development.

His Excellency Dr. William Ruto urged members of the County Assemblies not to tire in playing the central role in empowering Kenyans since they are the leaders who are always with the people at the grassroots.

While making his remarks, Uasin Gishu County Governor **His Excellency Hon. Jackson Madango** also praised the County Assemblies for coming up with their own sports competition, adding that the move will boost integration and reduce the biting effects of tribalism. He further appealed to the national

government to help counties in the improvement of their sports facilities so that all Kenyans can have a platform to exploit their talents.

The County Assemblies Forum Chairman who is also the Nyandarua County Assembly Speaker, **Hon. Ndegwa Wahome**, alleged that the County Assembly Sports Association (CASA), which is fully a chapter under County Assemblies Forum (CAF), recognises the important role sports play in revealing and bringing out the best in each one of us. He further stressed that sports has an immense potential to resolve conflicts and enhance cohesiveness in the society and the nation at large.

9.0 SCOPE OF THE EVENT PROGRAM

The programme was well diversified with Eldoret National Polytechnic Sports ground being the main venue. Other venues were Eldoret Sports Club, Hill School, Catholic University-Gaba Campus, Ndupawa Prestige and Gulab Lochab-Eldoret grounds.

9.1. COUNTY ASSEMBLY OF KITUI PARTICIPATION

The County Assembly of Kitui participated in the following sports disciplines and the results were as follows;-

9.1.1 FOOTBALL (MEN)

Mr. Speaker Sir,

Football, popularly known as **Soccer**, is game in which two teams of 11 players, using any part of their bodies except their hands and arms, try to manoeuvre the ball into the opposing team's goal. Only the goalkeeper is permitted to handle the ball and may do so only within the penalty area surrounding the goal. The team that scores more goals wins.

Football/Soccer which requires intensive training, is also the world's most prevalent ball game in numbers of participants and spectators.

Mr. Speaker Sir,

County Assembly of Kitui was pooled in **group B** together with the following County Assemblies; Bungoma, Garisa, Muranga and Nairobi.

County Assembly of Kitui soccer team played well though the team exited the week-long event at preliminary levels (group stages) after they failed to win any of their games in group B. Some of our players got serious injuries and they could not play in some of the games, therefore; posing a challenge in fielding a strong team capable of winning matches in their group stage. All games were played at the Eldoret National Polytechnic Sports ground.

Mr. Speaker Sir,

It's worth mentioning that two players of our football team, that is; Hon. Johnson Kanandu (best goalkeeper) and Hon. Jehoshaphat Nzamba (best midfielder), were selected to form a formidable football team to represent the Country in the regional East Africa Local Authorities Sports and Cultural Association (EALASCA) games in Kampala, Uganda.

9.1.2 VOLLEYBALL (MEN AND WOMEN)

Mr. Speaker Sir,

Volleyball game is a game of 6 players on the pitch at any one time - 3 in the front row and 3 in the back row whereby a maximum of 3 hits per side is made. Points are made on every serve for winning team of rally (rally-point scoring). In this game, a player should not hit the ball twice in succession.

It is worthy to note that in volleyball, matches are made up of sets and the number depends on level of play. Each set must be won by two points. The winner is the first team to win 2 sets.

Mr. Speaker Sir,

County Assembly of Kitui Men's volleyball was pooled in **group B** together with the following County Assemblies; Nyeri, Baringo and Kisii County Assemblies while the Women's team was pooled with Senate and Kakamega in **group E**.

Mr. Speaker Sir,

Our men and women's team recorded good performance in their matches but unfortunately did not go beyond the group stages.

9.1.3 CHOIR, CULTURAL DANCE AND BEAUTY CONTEST.

Mr. Speaker Sir,

Cultural dance own: -This is a traditional dance originating among the common people of a nation or region. This is generally more of a social activity rather than competition, but it is normally choreographed. Depending on the dance type itself, traditional dance can be either partnered or solo, and are mainly danced in formation.

Mr. Speaker Sir,

During the CASA 2019 games and cultural event, 17 County Assemblies had registered as participants in cultural dance. These Assemblies were; Taita-Taveta, Narok, Kirinyaga, West Pokot, Bungoma, Machakos, Kisii, Trans-Nzoia, Kajiado, Tana-River, Embu, Mombasa, Uasin-Gishu, Kwale, Kilifi, Elgeyo Marakwet and Kitui.

After the presentations, County Assembly of Kitui emerged number 9 out of 17 teams which participated.

Mr. Speaker Sir,

On Set piece: - Nineteen (19) County Assemblies had registered as participants for this event. These assemblies were; Vihiga, Turkana, Homabay, Embu, Kakamega, Nyandarua, Kisumu, Mombasa, Trans-Nzoia, Nyamira, Baringo, Kiambu, Marsabit, Kitui, Kilifi, Meru, Bungoma and Uasin-Gishu.

After the presentations, County Assembly of Kitui emerged number 11 out of 19 teams which participated.

Mr. Speaker Sir,

Folk song and dances: - this event was pooled in group of ten (10). County Assembly of Kitui was pooled in **group 2 (Taita and Kamba)** together with

the following County Assemblies; Makueni, Machakos and Taita –Taveta. After the presentations, County Assembly of Kitui emerged number 10 out of 19 teams which participated.

Mr. Speaker Sir,

Assembly's Choir: - a choir is a group of people trained to sing together. The assembly's choir recorded good performance and the committee congratulates the participants for their much improved performance.

9.1.4 DARTS

Mr. Speaker Sir,

Darts or dart-throwing is a competitive sport in which two or more players bare-handedly throw small sharp-pointed missiles known as darts at a round target known as a dartboard. Darts players are sometimes termed as "dartists."

Generally, Darts refers to a game in which one player at a time throws three darts per visit to the board.

The dart board is hanged so that the centre of the bull's eye is 5ft 8 inches from the floor. This is considered eye-level for a six-foot man.

The Oche (line behind which dart players' stand when throwing) should be 7ft. 9¼ inches from the face of the board. A team constitutes of 5 men and 3 women.

Mr. Speaker Sir,

Kitui County Assembly was pooled with Laikipia, Lamu, Kisumu and Homabay County Assemblies in Pool C.

Our Darts team led by the Speaker, Hon. George Ndotto did very well and the Committee congratulates the participants for their stunning performance. Their exemplary performance led to one member of the team; –Ms. Doris Mbula qualify for the regional EALASCA games in Kampala, Uganda whereby she represented and captained team Kenya. This is an indication that with adequate training, our darts team can be the best in the Country.

9.1.5 BALL POOL TABLE

Mr. Speaker Sir,

Originally the game was called Billiards and is still referred to as such by pros. The term billiards comes from the French. The root words are either "billart" which is one of the sticks or "bille" which means ball.

Pool is a classification of cue sports played on a table with six pockets along the rails, into which balls are deposited. Each specific pool game has its own name with the commonly played one being known as eight-ball.

The goal of eight-ball, which is played with a full rack of fifteen balls and the cue ball, is to claim a suit (commonly stripes or solids), pocket all of them, then legally pocket the 8 ball, while denying one's opponent opportunities to do the same with their suit, and without sinking the 8 ball early by accident.

Mr. Speaker Sir,

County Assembly of Kitui was in **pool B**- where they played against Kirinyaga, West Pokot, Busia and Meru County Assemblies.

The pool table team which was led by Speaker, Hon. George Ndotto did very well and the committee takes this opportunity to congratulate the team for their notable performance.

9.1.6 ATHLETICS

Mr. Speaker Sir,

Athletics is a group of sporting events that involves competitive running, jumping and walking. The results of racing events are decided by finishing position or time where measured, while the jumps and throws are won by the athlete that achieves the highest or furthest measurement from a series of attempts.

Athletics is mostly an individual sport, with the exception of relay races and competitions which combine athletes' performances for a team score, such as cross country.

Mr. Speaker Sir,

Our Assembly team participated in the following races 100m, 200m, 800m and 1500 meters. The participants did their best in these highly competitive races but could not manage to qualify for the final heats.

9.1.7 TABLE TENNIS

Mr. Speaker Sir,

Table tennis is a game played by either two (singles) or four (doubles) people. The players stands at each end of a table which has a low net across the middle and hit a small light hollow plastic ball over the net, using small bats.

Mr. Speaker Sir,

County Assembly of Kitui was pooled together with Kakamega and Nakuru County Assemblies in **Pool H**. The participants did a recommendable job in representing the Assembly as they won all their games before being eliminated in the quarter finals. The committee congratulates them for their remarkable performances.

9.1.8 BADMINTON

Mr. Speaker Sir,

Badminton is a game played on a rectangular court by two players or two pairs of players equipped with light rackets used to volley a shuttlecock over a high net that divides the court in half.

Mr. Speaker Sir,

Our Assembly was in **Pool B** together with Laikipia, Baringo, Migori, Kirinyaga, Meru and Trans Nzoia County Assemblies.

Our badminton team led by the Majority Leader Hon. Peter M. Kilonzo did very well and the Committee congratulates the participants for their extraordinary performance that saw them achieve position three (3) out of the forty seven (47) Counties. It is worth noting that due to their spectacular performance, the badminton team was presented with a trophy and the Majority Leader Hon. Peter M. Kilonzo was selected to form a formidable

badminton team to represent our Country, Kenya; in the regional East Africa Local Authorities Sports and Cultural Association (EALASCA) games in Kampala, Uganda.

9.1.9 NETBALL- LADIES

Mr. Speaker Sir,

Netball is a ball sport played by two teams of seven players. Games are played on a rectangular court with raised goal rings at each end. Each team attempts to score goals by passing a ball down the court and shooting it through its goal ring. Players are assigned specific positions, which define their roles within the team and restrict their movement to certain areas of the court. During general play, a player with the ball can hold on to it for only three seconds before shooting for a goal or passing to another player. The winning team is the one that scores the most goals. Netball games are 60 minutes long. Variations have been developed to increase the game's pace and appeal to a wider audience.

Mr. Speaker Sir,

Our Assembly was in **Pool E** together with Isiolo, Bomet and Kakamega County Assemblies. Regrettably, our ladies team was disqualified at the group stages for lack of enough participants in this particular discipline.

9.1.10 CHESS

Mr. Speaker Sir,

Chess is a recreational and competitive board game played between two players. The chess pieces are divided into white and black sets. Whereas the sets may not be literally white and black; the light set may be a yellowish or off-white color while the dark set may be red; they are always referred to as "white" and "black". Each set consists of 16 pieces: one king, one queen, two rooks, two bishops, two knights, and eight pawns.

The game is played on a square board of eight rows called *ranks*, and eight columns called *files*. The 64 squares alternate in color and are referred to as

light and *dark* squares. The chessboard is placed with a light square at the right-hand corner nearest to each player. Thus, each queen starts on a square of its own color that is; the white queen on a light square; the black queen on a dark square.

Mr. Speaker Sir,

A piece is moved to either an unoccupied square or one occupied by an opponent's piece, which is captured and removed from play. Moving is compulsory; it is illegal to skip a turn, even when having to move is detrimental. A player may not make any move that would put or leave the player's own king in check. If the player to move has no legal move, the game is over; the result is either checkmate if the king is in check, or stalemate if the king is not.

Mr. Speaker Sir,

It is worth stating that the participant in this event Mr. Cyrus Kiema, did very well and was number (nine) 9 out of thirty one (31) participants. His exquisite performance saw him represent Kenya in the 2019 regional EALASCA games in Kampala, Uganda. The Committee congratulates him for his spectacular performance.

9.1.11 DRAUGHTS

Mr. Speaker Sir,

Draughts is played by two opponents, on opposite sides of the game-board. One player has the dark pieces; the other has the light pieces. Players alternate turns. A player may not move an opponent's piece. A move consists of moving a piece diagonally to an adjacent unoccupied square. If the adjacent square contains an opponent's piece, and the square immediately beyond it is vacant, the piece may be captured by jumping over it and removed from the game.

Only the dark squares of the checkered board are used. When presented, capturing is mandatory in most official rules and the player without pieces remaining, or who cannot move due to being blocked, loses the game.

Mr. Speaker Sir,

Uncrowned pieces (*men*) move one step diagonally forwards, and capture an opponent's piece by moving two consecutive steps in the same line, jumping over the piece on the first step. Multiple enemy pieces can be captured in a single turn provided this is done by successive jumps made by a single piece and the jumps do not need to be in the same line. In English draughts men can jump only forwards while in international draughts and Russian draughts men can jump both forwards and backwards.

When a *man* reaches the *kings row* also called *crown-head*, which is the farthest row forward, it becomes a *king*, and is marked by placing an additional piece on top of the first man (*crowned*), and acquires additional powers including the ability to move backwards and capture backwards. Like men, a king can make successive jumps in a single turn provided that each jump captures an enemy man or king.

Mr. Speaker Sir,

In international draughts, kings also called *flying kings*, move any distance along unblocked diagonals, and may capture an opposing *man* any distance away by jumping to any of the unoccupied squares immediately beyond it. Since jumped pieces remain on the board until the turn is complete, it is possible to reach a position in a multi-jump move anywhere *the flying king* is blocked, from capturing further by a piece already jumped. A king's only advantage over a man is the ability to move and capture backwards as well as forwards.

Mr. Speaker Sir,

Our team recorded good performance in their matches whereby, they narrowly lost in the third round after impressively qualifying for the first and second round respectively.

10. CHALLENGES

Mr. Speaker Sir,

This being the second edition of CASA games and whereby the County Assembly of Kitui was a participant, the event had some challenges that were witnessed by the committee members during the event. Some of the challenges were;-

1. ***Lack of Seriousness in Trainings:*** Mr. Speaker Sir, from the onset of training, it was noted that majority of members of the County Assembly of Kitui were not taking training sessions seriously. This translated to poor performance in some games. To win trophies in any meaningful competition, participants need to undergo thorough training. Training allows the body to gradually build up strength and endurance, improve skill levels and build motivation, ambition and confidence.
2. ***Late Procurement of Sports Attire:*** Mr. Speaker Sir, I must congratulate the Assembly management for its effort in ensuring that participating teams had necessary sports attire and other sporting equipment. Nevertheless, the committee noted with a lot of concern that these items were procured in the last minutes and this led to a lot of confusion as some attire could not fit some players.
3. ***Poor Representation:*** Mr. Speaker Sir, some of our teams were disqualified because the Assembly failed to meet the required threshold. A discipline like the netball could not see the light of the

day for lack of enough ladies participants. If there was proper planning, this could not have happened.

4. **Procurement of Poor Quality Uniforms:** Mr. Speaker Sir, the committee witnessed that the uniforms issued to participants were of poor quality. Some of the uniforms got torn up easily thus causing embarrassment to members while others were either oversize or undersize thereby causing discomfort and limiting someone's self-expression in games.

11. COMMITTEE OBSERVATIONS/FINDINGS

The committee made the following observations from this event; - **That;**

1. With adequate and serious training, majority of our teams/participants, would easily bring back trophies hence making County Assembly of Kitui a force to reckon in terms of sports and cultural festivals.
2. Most County Assemblies had hired coaches to train their various team.
3. A good number of County Assemblies had well equipped first aid kits, ambulances and experienced first aid staffers who attended their injured players in good time.
4. Majority of the County Assemblies were well prepared for the games coupled with good cheering squad which motivated their players.
5. Most team especially football and volleyball teams had two to three pair of uniforms.

12. COMMITTEE RECOMMENDATIONS

Mr. Speaker Sir,

The Committee makes the following recommendations **THAT;-**

1. The County Assembly Sports Committee should be involved in the planning of County Assembly games.

2. The participants must be recruited early to grant them adequate time for training. The earlier participants are on board, the more time there is to become familiar with their game, participate in as much training as possible and fully understand their role, and responsibilities.
3. The CASB should consider hiring professional coaches for various sports disciplines to train players on part-time basis in preparation of the games and cultural festivals.
4. The County Assembly Sports coordinating committee should plan and organise friendly games for the County Assembly teams with other County Assemblies, Clubs and Colleges as a way of building a formidable teams.
5. The disciplines like soccer, volleyball and badminton teams should have at least three pair of uniforms during the tournament.
6. The CASB should consider setting aside a place for in-door games like the pool table, table tennis, badminton and darts within the Assembly Precincts. This will enable Members and staff adequate time to train, especially in the evenings after working hours. On the other hand, sports activities which require bigger space like the football and volley ball, the Assembly should make prior arrangements for facilities to be available within the town where members can undertake their practices/trainings.
7. Members of the County Assembly and staff need to take training sessions more seriously.

13 . CONCLUSION

In conclusion, the second edition of 2019 CASA games, offered a good platform for the Assembly to showcase her seriousness in games and cultural festivals. There was a remarkable improvement in the overall performance compared to the first edition of 2018 CASA games.

Significantly, taking part in sports has many benefits for us all no matter where we come from. It teaches teamwork, patience, endurance, sheer determination, ability to lose graciously and to win with elation yet in humility. It in many ways reflects our desired nature, thereby; undoubtedly developing an inclusive society used to coming together as one.

When sport talents are discovered and developed to the highest level; unity and togetherness is experienced. This eventually assists in bridging the gap in countries and counties affected by tribalism, a common cancer that has been a source of conflict among many nations.

When you are part of a team, you stand up for teammates. Your loyalty is to them. You protect them through good and bad, as they would do the same for you. That should be the spirit in our Assemblies: A spirit of working together for the common good of our people.
