One of the members of the Committee; Hon. Grace Syoindo Mulandi reached out to my office and requested to withdraw her membership from the Committee, which request I approved. The new members should join to serve the Committee diligently to assist in the realization of her mandate and to the benefit of Kitui Citizenry.

**Honorable Members,**

I have noted with great concern that since the constitution, very little has been done as relates to the issues raised in the motion. This is a very weighty matter that touches on loss of lives and the general wellbeing of the County residents.

I am as well alive to the new insecurity occurrences and concerns in Ngomeni and Tseikuru Ward which is an indication of escalation of insecurity in the said regions.

**Honorable Members,**

An Ad hoc Committee has a limited lifespan with specific mandates. This Committee is handling matters that are very critical as pertains the general livelihoods. A prolonged delay in delivery by this Committee may cause injustices and irrecoverable damages to our people. We have as a Country experienced the worst times of drought and owing to the fact that the rains have started, peace and security is of essence to allow farming to mitigate the prevailing hunger for both the people and livestock.

**Honorable Members,**

From the forgoing, I direct the Committee to move with speed and furnish my office with an interim report within the next seven days detailing the achievements so far attained and a programme on sequence of events to be undertaken in delivery of her mandate.

I wish to remind the Committee that the task before it is really vital and calls for utmost sacrifice and commitment. We are people's representatives entrusted with voicing their concerns and providing lasting solutions, and thus we should live up to those expectations.

**Honorable Members.**

I thank you all for your continued support and I reiterate that my office is open for any assistance and guidance needed.
