Honourable Members,

I am truly delighted to extend a warm welcome to each and every one of you as we reconvene here today, on the 5th of September, 2023, following a well-deserved recess in the month of August. This period of rest has undoubtedly provided us with the opportunity to recharge and renew our energies, enabling us to return to our duties with a fresh perspective and heightened enthusiasm.

As we gather here today, it is important to recognize the significance of the responsibility that has been entrusted to us by the people of Kitui. They have placed their faith in us, expecting us to diligently undertake the tasks and challenges that lie ahead. For this reason, I have no doubt that we are fully capable of meeting and exceeding those expectations.

Honourable Members,

As you are all aware, our Assembly was engaged in significant activities during the recess period. From the 14th to the 19th of August, 2023, we participated in the Devolution Conference which was held in Uasin Gishu

County. Subsequently, from the 19th to the 27th of August, 2023, we were actively involved in the 4th edition of the CASA Games, which took place in Nakuru County. These two events provided us with invaluable opportunities to engage with our legislative counterparts and colleagues in the devolution arena.

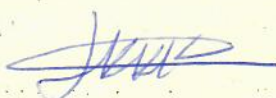

Honourable Members,

The devolution conference provided us with a valuable opportunity for exchange and benchmarking. I firmly believe that each of us has gained insights that will undoubtedly enhance our legislative endeavors. With a shared commitment to elevating our debates, I have high expectations for the outcomes of this engagement, as its significance was not in vain.

Honourable Members,

I wish to express my heartfelt gratitude to all of you for your enthusiastic participation in the CASA games. Your unwavering dedication and determination to excel are truly commendable. Our collective efforts have showcased a relentless spirit of competition and the pursuit of excellence. It's worth highlighting some of our achievements, such as securing the first position in Scrabble, a title we proudly retained from the previous CASA games. Additionally, we attained a well-deserved second position in the Choir competitions, while our badminton and football teams admirably competed up to the quarter-finals, and all the other teams equally performed very well.

I extend my sincere congratulations to all teams for their remarkable display of their talents. Let their accomplishments inspire and motivate us all. As we move forward, I encourage every team to set their sights on even more trophies in the next edition of the CASA games. Your dedication not only reflects positively on our Assembly but also reinforces our commitment to excel in all that we do.

Honourable Members,

it also brings me great pleasure to share that several outstanding individuals, drawn from our esteemed Membership of the County Assembly and the dedicated Service, have been chosen to represent our nation, Kenya, at the East African Legislative Assembly games.
