COMMUNICATION FROM THE CHAIR ON VIRTUAL LEARNING FROM  
MATILDA SECONDARY SCHOOL IN MATILDA WOOD

Honorable Members

I wish to acknowledge the presence in the Public Gallery this evening of 100 members from Matilda Secondary School in Matilda Wood and their teachers.

The Virtual Learning Centre (VLC) at Matilda Secondary School is a state-of-the-art facility that provides a safe and secure environment for students to learn and interact. The school has invested in this technology to ensure that all students have access to high-quality education, regardless of their location. This is a significant step forward for the school and the county, and I commend the staff and students for their hard work and dedication.
